Appeal from the United States
District Court for the
District of Nebraska.

[UNPUBLISHED]

Submitted: May 18, 2000

Filed: May 26, 2000

Before HANSEN, MORRIS SHEPPARD ARNOLD, AND MURPHY, Circuit Judges.

PER CURIAM.

Verle Olson, a Nebraska inmate, appeals the district court's¹ grant of summary judgment dismissing his 42 U.S.C. § 1983 claims against various prison officials for deliberate indifference. Because the summary judgment record confirms that the

medical defendants did not disregard Olson's serious medical need, and that the non-medical defendants did not delay or deny him access to medical care, Olson's deliberate-indifference claims fail. See Roberson v. Bradshaw, 198 F.3d 645, 647 (8th Cir. 1999). Accordingly, we affirm the judgment of the district court. See 8th Cir. R. 47B.

We also deny Olson's motions on appeal.
